50 CENTS PER MONTH

CARPENTERS STRIKE IN CHICAGO

15,000 Men Out—\$35,000,000 Worth of Building Affected by Strike

MEN ASKED 5 CENTS PER HOUR INCREASE IN WAGES

Entire Building Trades of U.S. May be Paralyzed if Demand is Not Met

CHICAGO, April 1.—Fifteen thousand carpenters struck today, affecting \$35,000,000 worth of buildings now under construction. The police are guarding big jobs where non-unionists are already working. The strikers demand a 5-cent hourly increase of wages. President John Metz of the Carpenters' Council, declared that unless the raise is granted, the entire building trades of the country will be paralyzed.

NEW YORK STAGE ATMOSPHERE IS MOST INDECENT IN WORLD

LONDON, April 1.—Theatrical New York has the lowest atmosphere of any place on earth, according to George Tyler of Lieber and Company, answering a question by the Tribune correspondent as to the condition on the stage in the United States and England. "It will get worse," continued Tyler, "until some day the decency of the people asserts itself. Then there will be an upheaval and the American stage will become the finest in the world instead of the worst. New York has simply become a glorified cafe chantant, immeasurably worse than Paris. Whereas in Paris decency relegates stage vice to the obscure Mont Martre, New York uses its biggest thoroughfare, where an orgy of electric lights proudly proclaims its shame.

"It is not New Yorkers who are so much to blame for this condition," continued Tyler. "It is due largely to the influx of outsiders who come to New York for an orgy and desire the accompaniments of an orgy. This pernicious influence has spread because the rest of the country insists on seeing a show that has made a long New York run, and while these people like to see decent things, they do not get a chance."

ROOSEVELT WILL GO ON STRENUOUS THREE DAYS TOUR

WASHINGTON, April 1.—Colonel Roosevelt today announced his plans for a three days speaking tour. He leaves New York tomorrow afternoon, speaking Wednesday at Charleston, West Virginia, Ashland, Olive Hill, Moorehead, Winchester, Lexington, Frankfort and Shelbyville, Ky., ending at Louisville in the evening. Reaching Cincinnati Thursday, he will begin a series of train platform speeches, going from there to Parkersburg, W. Va., where he will speak Thursday night. Friday he will speak at Cumberland, Keyser, Md., Martinsburg, W. Va., returning to New York on Friday night.

EVANS BEAT CUTTLE
2 TO 1 IN POST CARD
CONGRESS BALLOT

RIVERSIDE, April 1.—The post card ballot taken to determine Riverside county's choice in the congressional nomination contest closed at 3:30 p.m., with the result of S. C. Evans defeating Francis Cuttle by over two to one. The vote stood as follows: Evans, 5608; Cuttle, 1310.

Wife Ends Life At Side of Dead Husband's Body

LOS ANGELES, April 1.—With the photograph of her husband clasped in her hands, the body of Mrs. Anna May Marsten was found today on the couch beside the body of her husband, Dr. Luther Moulton Marsten, who died last Friday. The woman had opened the gas cocks, then laid beside her husband to await the fatal end. She had been inconsolable since her husband's death. Marsten was 64 and his wife was 55. Marsten had been a practitioner in Los Angeles for twenty-six years.

MADRID, April 1.—A Madrid newspaper says that General Porfirio Diaz, former president of Mexico, is expected to arrive here shortly with the intention of making this city his home.

Sec. Knox Again on U. S. Soil—Hears Free Sugar Protests
SAN JUAN, Porto Rico, April 1.—Secretary Knox sailed today for Port Au Prince, after his first day on American soil in a month. The Secretary was flooded with protests against the proposed free sugar bill.

RUSSIAN LIVING CORPSE

Man Charged By Sweetheart With Crime Falls in Lethargic Sleep Lasting for Years

ST. PETERSBURG, April 1.—A "living corpse" puzzles the medical authorities of Ikatrinoslav. Since March of last year Ivan Moisejenko has been in a narcotic sleep. The man was charged with train robbery and murder. When he learned that his sweetheart had betrayed him he dropped unconscious and all efforts during the many months have failed to arouse him. To all appearances he is dead. The movement of the heart is barely discernable. During all this time he has been fed through a tube. He seems to hear everything that goes on about him, but needles, hot irons or electric shocks have no effect upon him.

PORTUGAL ASKS SPAIN'S AID

Will Appeal to Have Portuguese Royalists Expelled From the Latter Country

LISBON, April 1.—The Portuguese government has decided to ask the aid of Spain in suppressing the royalist movement that has been threatening Portugal for a long time.

Within a few days the Spanish government will be asked to expel from the country all Portuguese royalists in return for Portugal's promise to allow no propaganda against the Spanish regime to be fostered in Portugal.

ORANGE COUNTY'S POPULATION INCREASING RAPIDLY WITH 750 NEW FARMS ADDED IN THE YEAR

How fast is Orange County growing? How fast is Santa Ana growing?

Any answer would be mere guesswork, but guesses may be founded upon the facts presented in the records of the courthouse and the title companies.

When asked to make a statement of the number of new farms in Orange County in the last year—that is, the number of farms there now is over and above what the number in the county was a year ago—a title company man of Santa Ana said off-hand: "Not less than 750." This estimate is on lands sold, where one farm is cut into two, three or more farms. It may well be taken to mean that there are 750 new families added to the county in the last year, outside of incorporated cities. Estimate five to a family, and that will make 3750 increase in population in the country districts alone.

The cities have all been growing more rapidly than ever before. The 1910 census gave Orange County about 34,000 population. It is a safe guess to say that the population is now well over 40,000, probably closer to 45,000 than 40,000.

MEXICAN REBELS PLAN TO USE AIRSHIPS

Are Short of Ammunition—Would Smuggle it Over Border in Aeroplanes

MADERO SENDS BROTHER TO HEAD TORREON FORCES

Believe Torreon Battle Will be Decisive—N.G.C. Ready to Hasten to Border

WASHINGTON, April 1.—That the Mexican rebels plan to smuggle arms and ammunition across the border by aeroplane, is indicated in dispatches to the War Department from Colonel Steever, in charge of the American troops on the border. Colonel Steever reported that two aeroplanes have been held up at the border. The rebel supply of ammunition is reported as being short.

MEXICO CITY, April 1.—Addressing a joint session of Congress today, President Madero announced that he will send his brother-in-law to Torreon to command the federal forces. The government believes Mexico's fate hangs largely on the outcome of the coming battle at Torreon, a defeat meaning an attack on the capital. Twelve hundred Americans have organized here to defend themselves if occasion arises.

Rebels Advancing on Torreon
LAREDO, Tex., April 1.—Rebels are advancing on Torreon, according to advices from Monterey, Mexico. Four thousand federal troops are already at Torreon. General Gomez expects to have six thousand rebels together before he reaches the city, to attack it.

FORBES READY TO TAKE MILITIA TO THE BORDER

SACRAMENTO, April 1.—Adjutant General Forbes today confirmed the report that the California militia is in readiness to move on the Mexican border at a moment's notice. Atascadero has been selected as the rendezvous in the event a call comes that he could get five thousand men at Atascadero within three days, and ten thousand men at the Mexican border within three weeks.

FIRST DECLARATION OF INDEPENDENCE BURNED

MEXICO CITY, April 1.—The original Mexican declaration of independence was burned today in a fire destroying the palace at Iguala in the state of Guerrero, the fire being supposedly of rebel origin.

Reports today confirm the death of thirty federalists and several rebels when rebels attacked a troop train forty miles south of the capital.

JAPAN DENIES GAINING MEXICO CONCESSIONS

TOKIO, April 1.—A flat denial that Japan has secured concessions in Magdalena Bay, Mexico, and would establish a settlement there, was made today by government officers who declare the report is based on no such move being contemplated.

INTERNATIONAL WEDDING

BERLIN, April 1.—The engagement is announced of Miss Dorothy Letts of New York to Ober-Lieutenant Goedeck, of the German war college. The wedding will take place in October.

U.S. SENATOR WORKS WARNS P. O. MASTERS TO AVOID POLITICS

WASHINGTON, April 1.—Postmasters and other federal officials in California who wish to continue in the service of the government will hereafter be expected to attend to their official duties and cease active participation in politics. That, in brief, is the substance of a letter which Senator Works has just written to the various government officials located in California. He has had occasion several times of late to oppose the confirmation of officials whose names have come up for reappointment, and it was to remove any misapprehension as to the reasons for his opposition that the letter is written.

MEXICAN DANCE ROW ENDS IN DEATH

Mexican Laborer Kills Brother-in-Law—First of Sugar Beet Season

CHASED ASSAILANT ABOUT TWO MILES

Trouble Was Over Woman Who Was Wife of One and Sister of the Other

Apolonio Valles, dead from knife wounds inflicted by Manuel Bombela. The fracas occurred about two miles from Los Alamitos last night because Valles sided with his sister in her refusal to dance with her husband, Bombela.

Last night two officers, the county physician and two newspapermen were in conversation when one of them announced that the time had arrived for the usual string of Mexican murders and cutting and shooting scrapes that come with work in the sugar beet fields.

"Last night," said Javier Jernigan, "it began in March or April, and kept up pretty regularly until the sugar beet season was over. They get money to spend on liquor, and that causes the trouble."

Last night's affair near Los Alamitos was the first serious affray among the Mexicans for several weeks. There are two stories of the affair, one of which alleges that the participants had been drinking, and another that they had not been drinking.

As near as the officers can get at the truth of the matter, the fight occurred outside a house on one of the ranches of the Los Alamitos Sugar Co., where between twenty-five and thirty Mexicans were camped. Apolonio Valles has been living in Fullerton. He moved to the camp two weeks ago. Manuel Bombela and his wife, a sister of Valles, had a quarrel about three days ago, and the woman left Bombela and went to the tents occupied by her mother and brothers.

Last night there was a dance in a house on the ranch. Bombela went in and asked his wife to dance with him. She refused. Bombela insisted, and Valles stepped in and told Bombela to go away and leave the woman alone. Bombela asked Valles to go outside and fight it out. The challenge was accepted.

Bombela declares the two Valles brothers, Felipe and Apolonio, attacked him. Bombela shot Apolonio Valles through the left hand, and the bullet came to a stop on Valles' chest.

Valles seized the revolver, and knives came into play. Valles was twice stabbed, once in the abdomen and once through the left ribs. Bombela was hit in the eye and was stabbed in the back near the left shoulder blade.

When Valles fell, Bombela ran toward Los Alamitos. Felipe Valles and another man gave chase, and ran Bombela all the way to town. Bombela sought refuge in a house, and the two Mexicans stood guard outside. When word came to the police of the shooting, they sent a patrol of thirty men to the house. The men entered the house, and found Bombela lying on the floor. He was dead.

The Santa Ana Register has been informed that Bombela was a married man, and leaves a son.

FLOODS DEVASTATE MIDDLE WEST—FARM LANDS INUNDATED

Three Towns Submerged in Indiana—Ice Jam in Rivers—Levees Break at Cairo—Kans. City Bottoms Flooded

ST. LOUIS, April 1.—With the Mississippi still rising, damage is on the increase hourly. The municipal levee at Memphis is out, and dozens of families were driven from their homes, while the furniture of several houses was swept away. Business throughout Memphis is practically suspended. Thousands of men labored strenuously today strengthening dykes. Street car service has been suspended.

The river has risen to 41 feet. The flood waters have washed over the levee at Hickman, Ky., flooding the town. Fifty thousand acres are inundated at Hammond, Ind., and an immense dyke protecting an additional hundred thousand acres is threatening to burst momentarily. The levee at Greenville, Miss., is imperiled.

DAMAGE GREAT—CAIRO REGION SUFFERING

ST. LOUIS, April 1.—Serious floods continue along the Mississippi river in Missouri and Illinois. The government levee has burst in several places below Cairo. Miles of farm lands are inundated. The Mississippi river has reached thirty-one feet here. The flood stage is thirty-eight feet.

Three Towns Inundated
HAMMOND, Ind., April 1.—Three towns are inundated and twenty-five thousand acres of farm and fruit lands are flooded with a damage exceeding \$500,000, as the result of an ice jam in the James and Calumet rivers. Shelby, Walter Valley and Schneider are practically submerged. Gary is threatened. Dynamite is being used in blasting the ice gorges in an attempt to relieve the situation. Railroad traffic is practically suspended.

KANSAS CITY BOTTOM LANDS BEING DESERTED

KANSAS CITY, April 1.—Residents of the bottom lands are moving from their homes because of the rising of the Missouri and Kansas rivers. Other Kansas streams are falling. Thousands of acres have been inundated.

Des Moines River Falling
DES MOINES, April 1.—Relief from flood conditions were indicated today when the Des Moines river stood at 17 feet, with prospects of a fall. The flood mark is 18 feet. The river has fallen two feet at Boone.

764 ILLINOIS COAL MINES CLOSED—70,000 MINERS IDLE

SPRINGFIELD, Ill., April 1.—Seven hundred and sixty-four coal mines in Illinois are closed. Seventy thousand miners are idle.

CHICAGO AND ALTON SHOPS CLOSE IN BOOMINGTON

BLOOMINGTON, Ill., April 1.—On account of the coal mine suspension, the Chicago and Alton railway shops closed today, throwing fifteen hundred men out of employment. On official announcement of the reopening of the mines the men will return.

45,000 Ohio Miners Quit
CINCINNATI, April 1.—Forty-five thousand bituminous coal miners in Southern Ohio are idle as a result of the widespread walkout.

They Keep on the "Walk-out"
GLINN FERRY, W. Va., April 1.—Five thousand bituminous coal miners have walked out in District No. 17.

OXFORD PROVED AN EASY WINNER

Won Annual Cambridge-Oxford Boat Race in 23 m. 3 Sec.—Finished in Rainfall

LONDON, April 1.—Finishing in a driving rain and hail, Oxford easily defeated Cambridge today in the annual race on the Thames, by six lengths. Time twenty-three minutes and three seconds.

The Cambridge crew started at thirty strokes per minute. The shells were even for the first half mile. At the half way mark Oxford was three lengths away from her competitor. At the three mile mark, Cambridge had gained slightly, but here rain began to fall and Oxford easily pulled event.

The race started on Saturday was a fiasco, the rough water overturning the Cambridge shell, dumping the crew. The Oxford shell was partially filled, but the crew rowed ashore, dumped the water and finished over the course in slow time. The race was protested by Cambridge, and on agreement, it was called off until Monday.

VISITS BOY PROTEGE

BERLIN, April 1.—Mrs. David Jayne Hill, wife of the former American ambassador, paid a flying visit to Berlin last week to act as pressario for Daniel Helsen, a Russian boy violinist and pupil of Carl Flesch. The boy will make his debut with the Philharmonic orchestra in October. Dr. and Mrs. Hill are living in an apartment in Paris, where they are giving dinners and entertaining.

OFFICIATED AT OWN WEDDING

TERRE HAUTE, Ind., April 1.—The Rev. John Peters performed a marriage ceremony for himself and Miss Maude Bowman at Annabell, Ill., yesterday. The minister who was to have officiated was flood-bound and could not reach Annabell.

COURT BACKS MISSOURI OUSTER

Supreme Court Upholds Decision Against Standard Oil and Subsidiaries

STATE'S OPEN FIGHT IN COURT TO SETTLE RATES

Want Own Railroad Commissions to Have Power; Patent Case May Have Rerearing

WASHINGTON, April 1.—The Supreme Court today upheld the constitutionality of Missouri's anti-trust statutes, affirming the decision of the Missouri Supreme Court ousting the Standard Oil Company and its subsidiaries, the Republic Oil Company and the Waters-Pierce Company. The fifty thousand dollar fines imposed on each company were affirmed.

STATES OPEN FIGHT TO REGULATE OWN RATES

WASHINGTON, April 1.—With a two-cent passenger rate, Oregon, Minnesota and Missouri are directly involved in a fight for the rights of state railway commissions to regulate rates to the exclusion of the Interstate Commerce Commission, which opened today before the Federal Supreme court.

The railway commissions of seven states are represented. The state commissions are backed by the National Governors' Congress. Governor Harmon of Ohio, filed a brief in behalf of the commissions supporting state rights.

WANTS REHEARING ON PATENT MONOPOLY CASES

WASHINGTON, April 1.—United States Attorney General Wickersham has applied to the Supreme court for a rehearing in the patent monopoly cases recently decided, affirming the right of the patentee to prescribe the uses and price of all appliances used in connection with his invention. Wickersham asks leave to intervene, declaring the recent decision creates a patent monopoly, affects the enforcement of the Sherman anti-trust law, and "extends the powers of patentees beyond the constitutional limits."

GORHAM TUFTS SAYS "NOT GUILTY" WHEN ASKED TO PLEAD

LOS ANGELES, April 1.—The case of Gorham Tufts, Jr., the occult teacher, charged with embezzlement from his millionaire wife, was continued until Friday in the superior court. Upon the arraignment of Tufts, when asked to plead, he replied thunderously: "Not guilty." His attorney had the plea withdrawn. He is scheduled to plead next Friday.

EXPECTED RIOTS FAILED TO OCCUR AT HOQUIAM WASH.

HOQUIAM, Wash., April 1.—Despite expectations there were no riots today, although the Lytle Mill, on which the strikers are making the chief fight, was reopened with strikebreakers. Hundreds of strikers assembled and watched the strikebreakers go to work, without attempting any violence. There was no work for two hundred deputies hastily sworn in.

10,000 UNEMPLOYED MEN MARCH IN FRISCO TODAY

SAN FRANCISCO, April 1.—Ten thousand unemployed men went marching through the streets today, singing the Marseillais hymn, and announced their intention to march to San Diego within a week to join the free speech fight. They traversed the principal streets and made the largest procession, except on Labor Day, ever witnessed here.

WALLOPED IN AN INNING

Santa Ana Team Defeated Los Angeles Bowling Alley Players by 12 to 6 Score

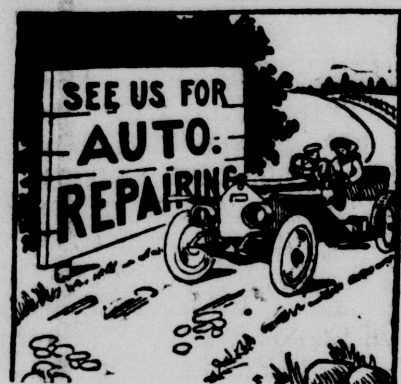

The opening game of the Southern California League (semi-professional) has been played and won by Santa Ana. One of the largest crowds that ever witnessed a Sunday baseball game in Santa Ana was in attendance.

The game was between the Grand Bowling Alleys of Los Angeles and the locals, and until the eighth it was a pretty game, but in the eighth the locals took all thoughts of a game from the minds of the visitors, when the Santa Anans bumped Mr. Phelps to all corners of the lot. When the inning closed, the scorer had marked up seven counts for the locals, making the score 12 to 6.

Clare Head, the local shortstop, received quite a bad injury in the early stages of the game, receiving a bad cut of the right eye, resulting from a bad bouncer. Head was forced to retire from the game, Luxembourg taking his place and making a couple of good catches in left field, where he was stationed.

Eddie McGaffey, playing center field for the locals, attracted quite a good deal of attention by the easy manner in which he gathered in the long flies coming into his territory.

Both pitchers, Dubois and Phelps, retired before the game was over. Dubois left in favor of Brown in the

Col. "Teddy" Roosevelt greeting one of the 101 Ranch Wild West Show Cowgirls. Here April 4.

THE 101 RANCH WILD WEST SHOW HERE NEXT THURSDAY

For years, in fact as long as can be remembered, circuses have always featured strongly feats of equestrianism. Riding acts have always been the nucleus of the circus, for without them there would be no circus, but simply a vaudeville show, and into the latter the circus of late years has apparently drifted. This is due to the fact that the riding acts have become monotonous. They are the same today as they were years long passed. The horse with the same schooled canter and the rider with the same schooled movements have not been in the least changed. Every rider rides the same, every horse caters the same, until their acts have become as tiresome as the repeating of the multiplication tables. There is a complete absence of anything refreshing or invigorating. It is a forced, unnatural style and one that fails to either appeal to lovers of good horsemanship or to good horses.

With the 101 Ranch Wild West Show, which will be here Thursday, April 4, there is none of this school type of riding. It is all natural riding in which both the horse and rider have the style and opportunities to display it. There is no forced gait to which the horse is compelled to, confine himself. There is no set pose for the rider; it is the natural style of riding that both the horse and rider enjoy, and meets with the approval of those who enjoy good riding. The riders with the 101 Ranch show, let them by the cowboys, cowgirls, Mexicans or Cos-

sacks, are to the manner born. They ride with a combination of speed, grace and daring that none other can attain. They are at home in the saddle or bare-back, and to them horseback riding first became a necessity before becoming an accomplishment. They ride because they love to ride and not because they are compelled to ride or fall off. The same can be said of the horse when his movements are considered. His gait is not one that is confined to the small ring, for the 101 Ranch show uses no rings. It is in the huge arena that the horse is seen, and his opportunities are the same as when provided with unlimited space. There is no better display of horsemanship imaginable than when the entire company with speed that is astonishing sweep around the arena. There is nothing the least artificial in the movements of either horse or rider. The display of daring horsemanship in which the very nerves of both horse and rider are taxed to their very utmost. It is the riding of those who know how to ride and movements of horses that enter into the game with all the vigor their bodies contain. There is nothing but what can be considered true horsemanship. There is no trained pace, for every horse is steered for his best and every rider is on his or her mettle. Such equestrianism is impossible with any circus or under any tent. While this natural style of riding has done much to establish the reputation of the 101 Ranch Wild West Show, riding is but one of the many features.

HE IS BOOSTING HIGHWAY PROJECT

A. E. Todd, Vancouver Island vice president of the Pacific Highway Association and probably the best informed man on the Pacific coast as to Good Road projects, not only in this territory, but the entire North American Continent, is now in California combining a pleasure trip with a lot of practical boosting for the Pacific Highway project.

It will be remembered that Mr. Todd did the pioneer Pacific riding over the entire route of this International Road project from Tia Juana, Mexico, to Vancouver, British Columbia, during the summer of 1910. Since that time there has not been a day gone by but what he has done some constructive work in helping this practical road.

On his present trip, which will be made by railroad train exclusively, Mr. Todd is visiting Portland, San Francisco and Los Angeles. At all these places he will confer with Pacific Highway vice presidents and find out how the association can further the interests of the "Road of Three Nations" in each locality.

Mr. Todd will return to Seattle in time to attend the executive board of the Association April 6.

Very few organizations are favored with such effective working members as the Pacific Highway Association has in Mr. Todd.

Two factors have worked hand in hand to make this possible. First, Mr. Todd has a remarkable amount of constructive ability and second he has the time to devote to enterprises of semi-public nature.

Many have asked why residents of Vancouver Island are interested in Pacific Highway, as they could never possibly be on this International Highway Route.

Keen minded people who have spent a few days touring Vancouver Island have been quick to see that if any considerable number of automobile tourists came northward or toured south along the west coast of North America, this island section of British Columbia would draw many, on account of its wonderful diversified attractions. So it can readily be seen that Mr. Todd has a practical way of looking at this International Highway project, as well as the broader humanitarian interests.

REV. JAMES S. MARTIN

NOTED SPEAKER TO BE HERE FOR THREE DAYS SOON

Rev. Dr. James S. Martin of Pittsburgh, Pa., will visit Santa Ana on April 26-28, as the guest of Rev. G. N. Greer, 712 East Third street.

Dr. Martin is the executive head of the great worldwide movement which will culminate in the second World's Christian Citizenship conference to be held at Portland, Oregon, June 29-July 6, 1913. He is the practical man at the head of the organization forces working in Pittsburgh and Philadelphia, Pa., and in Portland, Oregon, as well as from other sources through field secretaries.

This is undoubtedly the largest and most significant religious and social movement now progressing in the world, and as the head of it Dr. Martin becomes a factor in the world's work of paramount importance and interest. He is not a showy performer, but he exerts a tremendous influence throughout the world. He is of the finest type of militant Christian. He is one of the best known clergymen in the world as well as one of the most attractive orators now discussing educational topics from the pulpit. His writings upon economic and educational subjects are in great demand. He vigorously supports the theory that Christian education should keep pace with all other education in the home and in the schools, but resolutely opposes any union of church and state.

His address to Santa Anans in the interest of his work will undoubtedly draw a large crowd.

LEAGUE GAME SANTA ANA'S

Fullerton High School Lost by
10 to 1 Score in Game
Saturday Afternoon

Saturday afternoon at Lincoln Park made the time and place for the defeat of the Fullerton Union High School team by Santa Ana High, by a score of 10 to 1. Coach Ratchiff has his team well in hand, and a lively bunch it is. It was the first game of the county championship series.

Barker was on the list for the local boys and performed in great form. What hits were secured by the visitors were so well scattered that they scored only one run against Santa Ana's ten. The big fellow had thirteen strikeouts to his credit, while King of Fullerton was credited with 10.

The first inning ended with no score for either side, but in the second the Fullerton lads managed to push a man around the circuit.

Santa Ana tied it up in the third. Pease fanned, Barker was given a pass, Morrison singled in field, Barker going to second. Carrillo fanned, and in an attempt to catch Morrison an overthrow was made, Barker scoring.

In the fourth two more runs were added. Youngman got an infield hit. He went to third on Ball's bunt, and scored on Porter's overthrow at first. Ball scored on Carver's double to right. The next two men were easy outs.

In the fifth the runaway locals increased their total by three scores, and one more came later, making the score 10 to 1 in favor of the locals.

The score by innings:
Fullerton . . . 0 1 0 0 0 0 0 0—1
Santa Ana . . . 0 0 1 2 3 3 1 0—10
Batteries—Fullerton, King and Welton. Santa Ana, Barker and Pease. Umpire—Schumacher.

TWO CROOKS ARE ARRESTED

One of Them in Registering
Gave Santa Ana as
His Home

Los Angeles Times: J. H. Meyers, alias "Jockey" Meyers, alias James Alfred, alias M. Alfred and C. H. King, alias James Hillman, said by detectives to be as smooth hotel sneak thieves as ever operated in Los Angeles, were arrested in the Natick House yesterday by Patrolmen O'Brien and Riggs. The latter did not realize the value of their catch until several hours later when their prisoners were taken before the detectives, who recognized them as men known in every large city in the United States. The men were arrested for robbing W. P. Braithwait, a hotel guest, of \$68. Later Meyers confessed.

Braithwait was awakened by hearing some one in his room. His mother slept in an adjoining room. He was about to call to her, thinking she wanted something, when he saw that the intruder was a man. Braithwait watched the man rifle his trousers' pockets and then slip out into the hall and enter another room.

The night clerk, who was notified, found that the room had not been rented, the key being in the office. He summoned the patrolmen on the beat and when they entered the room they found Meyers and King, who had gained entrance by a skeleton key. On the floor lay Braithwait's two pocketbooks. The men had divided the money between them.

It was learned that Friday night the men registered at the Hollenbeck Hotel as M. Alfred, San Francisco, and R. Hillman, Santa Ana.

NEWS BUDGET OF NEWHOPE

NEWHOPE, March 30.—Despite the unfavorable weather, a jolly crowd of friends and neighbors gathered at the home of Mrs. T. J. Williams on last Tuesday, to help celebrate her natal day. She had been invited to spend the day at her daughter's home, and was enjoying a quiet day when the telephone called her home at once to see unexpected company. On arriving home she found the house full of friends, invited by her daughter-in-law, Mrs. George Williams, to the surprise. And she was surprised, surely. A pleasant afternoon was spent, in conversation and music. Delicious refreshments of cake, oranges and punch were served, after which the company dispersed after wishing Mrs. Williams many more returns of the day. Her friends remembered her with some nice presents.

Those present were: Mrs. J. W. Martin, Miss Hands, Mrs. J. Winn, Mrs. McDowell, Mrs. N. Trudeau, Mrs. J. E. Melvin, Miss Vera Winn, Miss Jennie McDowell, Mrs. Deveney, Mrs. Wiley of Anaheim, Mrs. Marsile of Santa Ana.

The many friends of Mr. Mater were glad to see him at the New-

Yesterday's meetings at the First Christian church were gratifying to the large audiences that attended them. The address to women was especially well received as it deserved to be.

During the day seventeen took their stand for Christ. The meeting is assuming splendid proportions.

A large audience listened attentively to the subject, "What Must I Believe to be Saved?" A vital, living faith in Jesus as the Son of God was the answer, was as a matter of course given to the important question.

Some of the subjects that will be considered in the future are, "The Good Confession," "Are People Saved Outside of the Church?" "Except Ye Repent," "A Successful Seeker."

The subject for this evening is, "Is There a Hell? If so, Who Made It?" Baptismal services will be held each evening this week, beginning tomorrow evening.

FALSE REPORTS DON'T GO

The effort of the stand-pat press to discourage Roosevelt's supporters by publishing false reports of the Indiana and New York elections has failed. True reports and absolutely correct analysis have been made with such absolute authority.

Perhaps the best summing up of the situation is that of President John W. Steinson of the Roosevelt Republican League of this state.

Commenting on the telegram received by Governor Johnson from Senator Dixon, wherein false press reports as to the Indiana and New York developments are denounced, President Steinson said:

"Newspaper misrepresentation has about done its worst in the desperate effort to discredit the Roosevelt campaign. The reactionary press has to speak plainly, indulged in absolute falsehood.

"The fact is that in New York the national convention delegates are about one-third for Roosevelt, one-third for Taft and one-third for the bandwagon. In other words, Roosevelt easily has an even break there.

"In Indiana, the fact is that Roosevelt carried eight congressional districts, or sixteen delegates. The Taft people carried five districts or ten delegates. In only two of these districts were there contests and Roosevelt won both.

"At the Indianapolis convention to choose delegates at large the old standpat state committee prevented, by their characteristic methods, an honest vote. These boss methods cannot avail. The day is over when crooked politicians can steal nomination for president of the United States.

"The prospect is very bright for Roosevelt winning the great delegation from Illinois, where a primary is to be held. The same situation exists in Maryland. Roosevelt is going to get a good share of the Ohio delegation. He has excellent prospects in Pennsylvania, where there also is to be a primary.

"There is every reason to be highly encouraged. To try to dishearten Roosevelt's supporters has been the purpose of the tremendous efforts put forth by the lying standpat press in the last few days. But the American reading public is too intelligent to be fooled.

"Furthermore, we are going to nail every falsehood they put forth. And again furthermore, as Senator Dixon says, we are going to nominate Roosevelt at Chicago certain."

LA FOLLETTE'S CAMPAIGN

Speaking of Senator La Follette's campaign, the California Outlook says that there is no reason to believe it will interfere at any point with the effort to nominate Roosevelt. La Follette will have the delegates from North Dakota and from Wisconsin and possibly a few others. In many western and central states he will receive some votes in the primaries, but in most of those the Roosevelt sentiment is strong enough to win in the final count.

The vote in North Dakota turned largely on reciprocity. It is purely an agricultural state, is right on the border and is so far away from the big centers of population that it would be in no wise protected by the margin in freight charges. Roosevelt had recommended reciprocity, and Taft had sought to carry it out. La Follette had opposed it—and, in the minds of many progressives who are tariff reformers, that opposition was one of the senator's most serious mistakes. However, his attitude on that, plus a large section of the 30,000 Democratic votes that were lost somewhere in the primary pulled him through with a small majority over Roosevelt.

AND TAFT WAS LOST SIGHT OF ENTIRELY, HIS POSITION IN THE CONTEST BEING LITTLE SHORT OF RIDICULOUS.

"In pursuit of this theory of government, President Taft's political fortunes are now committed to the political machines in the various states which are led and controlled by men like Mr. Tawney in Minnesota, Mr. Keeling in Indiana, Mr. Penrose in Pennsylvania, Mr. Ballinger in Washington, Messrs. Barnes and Hoel in New York, Mr. Gallinger in New Hampshire, Messrs. Guggenheim and Evans in Colorado, Mr. Aldrich in Rhode Island, Mr. Cox in Ohio, and Mr. Larimer in Illinois."—Theodore Roosevelt.

Bert Carpenter started out brisk yesterday afternoon to get signatures for Champ Clark's candidacy. The

first man he called on said: "How can I sign that paper for Champ Clark when I'm on my way to attend a Roosevelt meeting?"—San Luis Obispo Tribune.

"We have a man who has dared to talk to anyone and anywhere and stand for what is right, and the reason we are following him is that he is the one leader in the land who has a chance of being successful."—Governor Johnson.

Our Washington Letter

WASHINGTON, Apr. 1.—Democrats of the House have practically fixed June 15 for adjournment of the House, if an agreement can be reached with the Senate. Majority Leader Oscar Underwood says the business of the House can all be concluded by June 15 without doubt and Congress can adjourn if the Senate will "get busy."

Several of the larger appropriation bills and important tariff measures have already gone to the Senate, including the steel, chemical and sugar bills. Revision of "Schedule K"—the wool tariff—was the last important tariff legislation in the House. Underwood is not disposed to proceed further with tariff legislation and will probably oppose revision of the cotton schedule.

The postoffice appropriation bill will be followed in the House by the naval appropriations and the Panama canal bill.

June 15 falls on Saturday, preceding the National Republican convention in Chicago June 18 and leaders of both parties in both Houses believe the adjournment plans will go through.

A national style show, of gowns of every period of American history, is planned by the National Museum. Prominent society women are co-operating to secure "exhibits" dating back to Puritan days.

To have the "togs" of every presidential administration represented, clothes are being donated to the museum to form a collection similar to that in the Louvre at Paris.

Mrs. Taft has donated the white satin gown, trimmed in silver, which she wore when her husband was inaugurated, to the collection.

The wife of the first president is represented in the exhibit by dainty gown of white satin, now yellow with age. Mrs. Roosevelt has given the slippers she wore to her husband's inaugural ball.

A gown of Mrs. Andrew Jackson has been given by President Jackson's great-granddaughter, Miss Mary Wilcox of Washington. Mrs. Alexander Sharp, widow of Capt. Sharp, U. S. N., who was the niece of Mrs. U. S. Grant, has contributed a dress once worn by Mrs. Grant.

Mrs. Julian James of Washington is enlisting support from women to contribute historic exhibits to the collection, which will be displayed in glass cases in the National Museum.

Fighting the Civil War all over again is the pastime of the House of Representatives, almost every time pension legislation is considered. The "bloody shirt" is waved by both Northerners and Southerners. Oratorical cannons boom, declamatory skirmishes batter the House walls, volleys of words assail the appropriations—and then the bills pass while the Speaker's gavel announces the knell of the dead and wounded.

Georgia's representatives are recognized leaders of the anti-pension fight, and Representative Roddenberry having been acting as the general in charge of the assaulting forces.

"Do you approve of Sherman's march to the sea?" was the innocent question of Representative Roddenberry which provoked the last explosion of Civil War memories. Here is how Roddenberry answered: "I want to say that we accepted the decrees of war. Our matchless General Lee met the great General Grant in the final struggle and accepted Lincoln's terms in the end. We laid down our arms; we came to the Union; her fortunes are ours, her history ours and her future ours. No stream of pensions has come to the South to help us in our distress. We have reached it by heroic efforts of our own people—the southern people. We love all sections and are loyal to every foot of soil of this great country."

Representative Moon (Dem. Penn.) rallied to the defense of the special pensions by saying: "I think his (Rep. Roddenberry's) devotion to the South is not greater than mine. I want to say as a Democrat and as a southern man I am tired of this contemptible sectional rot."

Representative Roddenberry continued: "Do not give a pension of \$200 a month to an officer who sat back in a bomb-proof and gave the old fellow who stood in the front of the fight \$10 a month. Do not give \$100 a month to your tin-horn generals who hung around the grub wagon and never ventured closer to battle than to

Plans have been completed by Secretary of the Navy Meyer for the "summer cruise" of the under-graduates of the Annapolis Naval Academy.

The "middles" will be aloft from June 10 to the middle of August. The third class will make its summer cruise on the battleship Massachusetts. Eighteen "middles" each of the first and second classes will be assigned to the Florida, Utah, Delaware, Georgia, Nebraska, New Jersey, Rhode Island, Connecticut and Virginia. Twenty cadets each will be assigned to the North Dakota and Michigan, Louisiana, Kansas, New Hampshire, South Carolina and Minnesota, and smaller numbers to other vessels of the Atlantic squadron.

The first class "middles" will be given three months' training as gunners, with experience on deck watch duty. The second class cadets will be assigned to engineer duty, with instruction in the dynamo and engine room. Navigation and radio telegraphy will also be taught the members of the first and second classes. The third class men will have complete charge of the Massachusetts as a practice ship, under the direction of course, of its regular officers.

NO CASCARET USER EVER HAS HEADACHE

A 10-Cent Box Will Keep Your Liver, Stomach and Bowels Clean, Pure and Fresh for Months

Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver, delayed fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Salts, cathartic pills, oil and purgative waters force a passageway for a day or two—yes—but they don't take the poisons out and have no effect upon the liver or stomach.

Cascarets immediately cleanse, regulate the stomach, remove the sour, undigested and fermenting food and foul gases, take the excess bile from the liver and carry out of the system all the decomposed waste matter and poisons in the intestines and bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means inside cleanliness and a clear head for months. Ask any of the millions of Cascaret users if they ever have headache.

SCOTT YET IN POLAR FIELD

English Explorer Will Spend Winter in Antarctic in Quest for the Pole

WELLINGTON, N. Z., April 1.—Captain Robert F. Scott's vessel, Terra Nova, which carried the British expedition to the Antarctic, has arrived at Akaroa, a harbor in Banks peninsula, New Zealand, but has not brought back Captain Scott or the members of his expedition. The commander of the Terra Nova brought instead the following brief message from Scott:

"I am remaining in the Antarctic for another winter in order to continue and complete my work."

The latest news sent back by Captain Scott to his base at McMurdo Sound showed that on January 3 he had reached a point 150 miles from the south pole and was still advancing. It was clear that had the explorer delayed sending back notification of his progress until he actually reached the pole, word from him could not have been received by the Terra Nova before she was compelled to leave, owing to the setting in of winter and the freezing of Ross sea.

All on board the Terra Nova are well. Great disappointment was felt when it became known that the Scott party had been left behind. The Terra Nova is expected to reach Lyttleton on Wednesday.

FOR BRIDE AND GROOM

Charming Courtesy From Father of Bride Tendered in Dragon Balcony Saturday

Mr. and Mrs. S. H. Bradley, recently wedded in Palo Alto, arrived here Saturday from a honeymoon spent in San Francisco, Monterey and Santa Barbara. In the evening, they were the complimented guests at a dragon balcony supper, at which the host was the bride's father, Dr. H. E. W. Barnes. They were on their way to Los Angeles, where they will reside.

The large round table in the balcony was effectively decorated by the Dragon artists, a suggestive wedding bell of white carnations and pink tulips being suspended above the center, while pink roses and sprays of maidenhair and asparagus ferns trailed in dainty design from the pink shaded candelabra that shed a ray light on the banqueters. The guests greeted the return of the fair bride and her husband with Dr. H. E. W. Barnes, the host; Edwin Barnes, brother of the bride, and his fiancée, Miss Amelia Edgar; Mr. and Mrs. George Edgar; Mr. and Mrs. Clyde Horton.

The menu for the supper, which was served at 7 o'clock, was as follows:

Olive Vegetable Soup Celery Cheese Straws Crackers Baked White Fish Tartar Sauce Fancy Potatoes Roast Turkey Potatoes Cranberry Sauce Celery Tips in Mayonnaise Fruit Salad Ice Cream Molded as Wedding Bells Nabiscoos Cake Coffee Salted Almonds Mints

Happy Reunion

A pleasant event last Saturday was the second annual picnic and reunion of former Epworth (Iowa) residents and students of Epworth Seminary held in Echo Park, Los Angeles.

Thirty-one were present, mostly from Los Angeles and Orange counties. Among them were some who had not met for over forty years, and they greatly enjoyed renewing old friendships and reviewing the old days.

Those going from Santa Ana were Mr. and Mrs. James H. Edwards and Misses Sullivan, Randall and French.

Was 85 Years Old

L. N. Emerson of 116 Santa Ana avenue, celebrated his eighty-fifth birthday last Thursday, March 28. The day was made memorable to him, not only by attaining so venerable an age, but by the shower of post cards and letters he received from various parts of the world, each containing a greeting and expressions of good will and wishes for "many more birthdays and assuring him of continued friendship. Another assurance greatly appreciated by Mr. Emerson was a statement by a physician friend of his that he is good for ten years more, at least, of life.

The postal cards and letters came from Santa Ana and vicinity, from friends in Vermont, New Hampshire, New York, and Compton in Canada, and gave great pleasure to Mr. Emerson. A letter from an old friend at Sherbrooke, Province of Quebec, Canada, was especially appreciated. Near Sherbrooke was Mr. Emerson's birthplace.

LOCAL COMPOSER'S MUSIC

Interesting Program of Sacred Music Was Rendered by Presbyterian Choir

The musical portion of the services at the Presbyterian church yesterday was of special interest, and was greatly enjoyed by unusually large congregations. With the exceptions of the hymns, all the music rendered was the work of one of our local musicians, Francis J. Haynes, who has been soloist and choir director there for the past six months.

Every number was characterized by good melodies and originality of conception, as well as beautiful harmonies, that showed them to be the work of a thorough musician. The morning anthem, "I Will Extol Thee," an excellent piece of part writing for contralto solo and chorus, and the evening anthem, very different in style, but equally pleasing, were compositions fully up in point of merit, to many that are in constant use by church choirs.

The solo, "A Morning Prayer," a male quartet, "Ashamed of Jesus," and several organ pieces, notably the offertories and the morning postlude, showed wide range in style and composition, but were well written and equally well rendered, the work of the choir being also worthy of special mention.

Personals

Mrs. Louis Petersen is at home from a three weeks' visit in San Francisco with her daughter, Mrs. Philip Lord. She returned yesterday.

Miss Edna Robbins is visiting for a few days with friends at Capistrano. Roland and Hugh Roberts, who have spent the major part of this winter in Santa Ana, left today via the Southern Pacific for their home in Jefferson, Iowa. They will visit in Denver, Colorado, on their homeward way.

One of the happiest women in Santa Ana this week is Mrs. Addison Cole of North Main street, made so by the arrival yesterday of her only brother, Col. H. E. Morse of New York City whom she has not seen for eighteen years. He will make her a brief visit before returning East. Col. Morse is a lawyer who is cosmopolitan in his travels, spending much of his time in London, England.

Miss Edith Gardner, who has so long been confined to her bed with typhoid fever, was carried down stairs yesterday, this being her first appearance below stairs in ten weeks. Her friends congratulate her and her family on this evidence of real improvement. Rapid progress in health is now expected for Miss Gardner.

Harvey Gardner made a business trip to Santa Barbara Saturday, returning yesterday. Mr. and Mrs. Carey R. Smith left this morning for Arrowhead Springs. They were equipped with fishing poles and surface indications were that they were out for a good time.

Misses Daisy, Leslie and Hazel Roberts spent yesterday at the parental home, returning to Los Angeles in the evening.

Mrs. Louisa Perry and son, Harry, returned yesterday to their home in Los Angeles, after a week end visit with friends in Santa Ana.

Philip McIntyre was an over Sunday visitor at the home of Mr. and Mrs. Hoyt Hall.

Attorney F. O. Daniel took an early car for Los Angeles this morning.

Mrs. J. A. Turner spent today with her daughter, Mrs. Thomas Inch, of Los Angeles.

Dr. A. R. Hervey was a Los Angeles visitor today.

James Willis Rice went to Los Angeles this morning.

Mrs. Angeline Stuart and Mrs. Nicholson returned to Los Angeles this morning after a week end visit at the J. A. Finley home. Next week they will leave for the East together.

Mrs. Nicholson will return to her home at South Charleston, Ohio, and Mrs. Stuart will stop off at Grand Junction, Colorado, to visit her daughter, Mrs. William Orr.

John Rowland was a business visitor in Los Angeles today.

Miss Anna O'Donnell spent the day in the Angel City.

Business took W. B. Artz to Los Angeles this forenoon.

Mrs. P. R. Reynolds was a visitor in Los Angeles today.

Rev. H. E. Murrett was a passenger to the Angel City this morning.

Tomorrow the numbers that get the five rewards offered for five papers of the issue of Friday, March 27th, will be printed. These numbers will be found in the advertisements in different parts of the paper in the same manner as on last Saturday.

NEW HAIR-CURLING PROCESS

—Madame Higgins, of New York, now of Los Angeles, delighted the ladies of Santa Ana during her visit here last Saturday at Mr. Cavins' parlors, where she demonstrated a process of curling the hair on the head so that it simulated natural curl, guaranteeing the hair to remain in curl from 6 to 9 months, becoming even more wavy after washing or in damp weather.

Mrs. Cavins has secured the Orange County agency for this process and will take orders to be filled here at any time by Madame Higgins.

SMITH'S JEWELRY STORE REMODELED

New Windows, Show Cases, Finishings and Stock Make Handsome Establishment

Always attractive, the remodeled store of E. B. Smith, the jeweler, is one of the handsomest and most modern stores in the city. The interior has been practically made over, resulting in added space, convenience and beauty. Mahogany has been used in the handsome new fixtures and finishings, including the ceiling beams and the woodwork of wall and show cases. Both wall and show cases are of plate glass and are of the most recent type. New show windows afford an opportunity for effective display of the elegant goods carried in this establishment. Working facilities have also been increased by added space and equipment. This is especially noticeable in the watch and clock repairing rooms, where a working bench accommodating two has been put in and other striking improvements made. The jewelry manufacturing and repair quarters in the rear of the store have been submitted to the march of improvement, and afford a model for other establishments of the kind. Over this section of the store, a balcony offers a convenient showroom for clocks, and the storage of surplus stock.

Besides all the improvements which have brought the store and its working departments strictly up to date, there has been a large increase in stock. A greater variety of goods is seen in the enlarged stock, including the latest designs in jewelry and silverware. The enlargement in stock and the manifold improvements in the store have been so gradually and judiciously achieved that customers of the Smith establishment have at no time been inconvenienced, and the result achieved is so satisfactory that it is not only gratifying to Mr. Smith and his corps of assistants, but is an artistic pleasure to the patrons.

WEALTH AND BEAUTY JOIN HANDS

In San Jacinto

You have seen valleys, and heard of valleys, but unless you have seen our beautiful San Jacinto Valley you can have but little conception what a real valley is like. It is more than a "level strip of land between hills," it is eighteen thousand acres level as a floor, surrounded by beautiful mountains, and every acre under cultivation, beautiful ranches and orchards of every kind, fine alfalfa farms, great potato fields, in fact most everything that will grow in any country can be grown here to better advantage.

All we want now is a few more good, neighborly settlers to join us in an expansion that we are proud to be able to make, and doubly proud to know that the highest priced acre offered in the valley at this time would still be a bargain at twice the price asked. Hereafter we have had the population enough, because of the scarcity of water, but conditions have changed since the great water discovery made recently. We now have more water than we have land, and not quite as many settlers as either, so come right along and bring your friends. You can't beat it for climate, water, fertility, beauty, or a

place to accumulate a snug little fortune quick.

We have people with us who have traveled all over the world, and lived in this State for years, and are in a position to judge of the true condition as compared with other localities—they are here to stay. Now is the time to get in right. All we ask is look. Every one should see the best there is to be had in any line before they decide. It aids the judgment in making comparison, we know if you will become interested enough to make comparison that the jig is up. When this is done, it only remains for us to co-operate with you and you with us in making San Jacinto Valley the most desirable home place on earth. Come over and see it, it won't cost you a cent after you get here, as we have a committee appointed with machines to show everybody around, absolutely free. These machines are at your service every day in the week.

Look for another notice in this paper tomorrow. Send postal for photographs and further particulars. San Jacinto Board of Trade, San Jacinto, Cal.

ORANGE

NEW BUSINESS HOUSES SOON

Fine Structure Being Completed at Orange Means Changes

ORANGE, April 1.—Numerous changes in locations of local business houses will be made within the next few days. Most notable of all is that of the Union Mercantile Co., which is soon to occupy the south two store rooms in the new Campbell building, which is being rapidly completed.

The Union Mercantile Co. was recently organized for the purpose of selling groceries and clothing on a cash basis. The company is composed of several stockholders, but it is understood the two active men who will control the company are Messrs. Flagler and Flene. Mr. Flagler was manager of Ehlen & Grote's for a year, and Mr. Flene was formerly of the firm of Flene & Walther.

The Mercantile Co. announces today that it has bought the grocery stock of Kogler & Newell, and will operate this store until their new location across the street is completed, and it is thought that it will be ready about the 15th of this month. The Mercantile Co. will go into two beautiful store rooms, and the Campbell building is a great addition to the town.

It is understood that Mr. Kogler of the firm of Kogler & Newell, will soon take charge of the El Modena store, where he and his brother-in-law, Mr. Borchard, have recently bought.

In the third store room of the Campbell building is the "Den o' Sweets," opened for business last Wednesday. To say that this place is a little beauty is putting it mildly, for it is hard to find a cozier and prettier little place in Los Angeles. Mr. J. Gallagher, formerly interested in the Cherry Blossom of Santa Ana, is the proprietor. There is a large marble fountain with huge glass candy cases in the front of the store, while the parlor is furnished in heavy square furnishings in brown oak. Individual booths, which are now so popular, are used.

The Waechter Shoe Co. has the lease on the store room now occupied by Kogler and Newell. As soon as this is vacated this firm will take possession, and will improve it with show windows and inside decorations.

The realty firm of Fernald & Weiss is soon to change its present location for office room at the rear of the Union Mercantile Company. It will face the Plaza. It is also said that a new poolroom is soon to be located in the north of the Plaza section.

In the upper story of the Campbell building is being completed a splendid hall, which can either be used as an auditorium, theater or ball-room. Special oak flooring is being laid so that it can take a polish. A large stage and high ceilings are other features of this room. It is not known for certain whether or not any lodge has these rooms leased at present, but it would be hard to find any better.

Besides the auditorium or main room, there is a large banquet room, which will be finished in rich furnishings. It will be large enough to accommodate any reasonable number. Dressing rooms for both ladies and gentlemen as well as reception rooms face on Glassell street.

Baseball Postponed

ORANGE, April 1.—The baseball game which was to have been held next Saturday with Huntington Beach, has been postponed a week, owing to the schedule of the basketball team of that town, which requires that they go north to compete for the championship of the state.

HANDICAPPED

This is Case With Many Santa Ana People

Too many Santa Ana citizens are handicapped with bad backs. The unceasing pain causes constant misery, making work a burden and stooping or lifting an impossibility. The back aches at night, preventing refreshing rest and in the morning is stiff and lame. Plasters and liniments may give relief but cannot reach the cause. To eliminate the pains and aches you must cure the kidneys.

Dean's Kidney Pills are for sick kidneys—thousands testify to their merit. Can you doubt Santa Ana evidence?

Mrs. M. W. Davis, 768 Cypress avenue, Santa Ana, Calif., says: "Dean's Kidney Pills have been used in our family off and on for several years. The person who has used Dean's Kidney Pills was severely afflicted with kidney trouble, the chief symptom being pains in the back. On a number of occasions he was obliged to quit work, owing to the severity of the attacks. Dean's Kidney Pills, procured at Dean's Drug Store, brought prompt relief and they have been an unfailing means of relief in this case since."

LOS ANGELES PRODUCE MARKET

General firmness characterized the market. Notwithstanding liberal receipts along most lines, there was little break in prices on commodities.

In the market for miscellaneous vegetables several immaterial changes were noted. Asparagus advanced 1 cent for choice Sacramento River offerings, while the low level of 4 cents per pound was maintained. Receipts were liberal, but the demand was in keeping with the arrivals and stocks cleaned up early.

Mexican tomatoes sold on the basis of 15¢ per box. The market was inclined to weakness at that figure owing to the poor quality of the offerings.

Apples were generally quoted a little lower. Bellefleurs and Newton Pippins continued to hold the lead in sales. Four-tier stocks of Bellefleurs were offered at \$1.30.

Tropical fruits of all sorts were active with a lively trade in bananas especially.

The egg market ruled steady. There was no quotable change in this market. The call was for case counts at 21 cents per dozen. Receipts were 938 cases.

Butter was firm to steady. Creamery stock moved out at 31½ cents per pound and the market was firm at that figure. Ladies and country grades were dull and inactive. Arrivals were 21,707 pounds.

Potatoes were quiet. There was a falling off in trade on this commodity locally, but there was a fair outside demand for spuds of inferior grades. Receipts were 4029 sacks.

Onions were firm, but trade demands were small. Mexican Bermuda stock was only in light call, due to the greenness of the offerings. Another carload of this stock is expected in shortly. No receipts were reported in.

Bean arrivals were 100 sacks. The market was firm and unchanged.

No sweet potatoes were reported in. The market was steady.

Little change was shown in the local hay market. There is a feeling of unrest among many engaged in the hay trade, due to the fact that the coming crop is not developing as it should at this season. Although there has been considerable rain throughout the state, it has not been sufficient to insure normal crops in most localities. This section continues to draw on the central part of the state for its supplies.

Activity was shown in the poultry market, due to the approaching Jewish holidays, which began the first of April. There has been an increase in receipts of live stock and prices on several kinds of stock have shown an advance. Young fat stock of choice appearance and grade are selling at top prices. Broilers were in good demand.

NOTICE TO VOTERS
The great register of Orange county, for the year 1912, as every other county in the state of California, is now being compiled. All voters who expect to participate in the general election, to be held on November 5, 1912, for the purpose of electing electors for president of the United States, and for certain state and county offices, must register on or before October 5. Registration closes for the presidential primary election April 13, for the state primary election August 3, and for the general state election on October 6.

W. B. WILLIAMS, County Clerk.

AT THE COURTHOUSE

A TRUST DEED
IS RECORDED

Sugar Company Takes on
Bonded Indebtedness of a
Quarter of a Million

A trust deed transferring the sugar plant now being erected and the forty acres on which it is being built from the Santa Ana Co-operative Sugar Co. to the Abstract & Title Guaranty Co. has been put on record. The bonds are to be twenty-five in number of \$1000 each, and money to be used in the carrying out of the plans of the company, which is building a \$650,000 plant three miles south of Santa Ana. James Irvine is president of the company and H. J. Forney is secretary.

Citrus Association
Articles of incorporation have been filed by the Yorba Linda Citrus Association, formed to pack, ship and market any kind of fruit. Yorba Linda is the principal place of business, and the directors are W. H. De Berry, F. I. Shepherd, M. S. Gillett and W. S. Moore of Yorba Linda, Emory Albertson and J. S. Cruse of Whittier and O. A. Reams of Los Angeles.

Case Continued
Because Attorney W. E. Ferguson was late in arriving from Fresno and getting to court this morning, the trial of P. R. Stock was continued to April 30. The jury was on hand, and the prisoner, shaven and hairy, was there, but Ferguson, appointed by the court to defend Stock, was absent.

Stock is to be tried for passing a bogus \$500 draft upon a bank at Anaheim. His criminal record

reaches all the way from San Diego to the state penitentiary of Washington.

Year and a Half
Pedro Cano, an Anaheim Mexican, who stole a horse and buggy from William Klassen on March 26, pleaded guilty in the superior court this morning and was sentenced to eighteen months in San Quentin. He told Judge West that he had no particular reason for stealing the rig. He did it because he was drunk, and that was the only excuse he could offer. Cano served a sentence in jail here about a year ago.

Attachment Case
Lot 5, block 409, Huntington Beach has been attached in an action for \$52.10, brought by C. H. Howard against C. M. Cowan.

Declares Homestead
A declaration of homestead has been recorded by Edna M. Burger on 13.63 acres, valued at \$5000.

Marriage License
Charles W. McKinney, 30, of Fullerton, and Maude Redington, 18, of Monett.

Asks for Receiver
Attorney Tipton of Anaheim has petitioned the court to appoint L. A. Evans receiver to care for property concerned in the suit of Ella M. Harkins against M. E. Stanfield and others. The property is at Anaheim, and has a rental value of \$6 per month.

For Guardianship
Mrs. Dora Winger has petitioned for letters of guardianship on the estate of her son, Raymond, aged 4, that he may receive a legacy from the estate of J. H. Stier of Columbiana county, Ohio. Williams & Rutan are attorneys for the petitioner.

Suit on a Note
A. B. Blom with Williams & Rutan attorneys has brought suit against E. M. Dahlstrom on a \$450 note signed on Nov. 18, 1907.

Terminate Interest
Mary J. More has petitioned the superior court to terminate the interest of her husband, G. W. Moore, who died on March 10, in property here.

ELECTION DAY
FRIDAY NEXT

School Districts of the County
Have Some Hot Contests
on Hand

With the close of polls next Friday, there will be ended a good many interesting contests in school elections in this county. Every school district, grammar and high school, has an election except Santa Ana, and in several of them there is considerable of a stir. This will be the first opportunity that many women of the county have had an opportunity to take part in. In some districts the women will take part not only as voters but also as candidates.

According to law, the polls in the common school districts must be kept open for at least four hours, the hours to be fixed by the school board of each district. The polls of high school districts must be open from 8 o'clock until sundown.

Three of the hottest school fights are those in Anaheim, Huntington Beach and Leora districts.

any other call, and his successor has not yet been selected. The present pastor gave notice of the step last Sunday. His home is in Santa Ana.

Cable Completed
The new 50-ply cable between Orange and Santa Ana has been completed by the Pacific Telephone and Telegraph Company and today five new trunk lines between the two towns were put in operation, making a total of 14 lines now in use. More may be added at any time they are needed so that business between the two towns may now be easily handled without delays.

The Pacific company is reported to have moved much of the material which it had shipped to Santa Ana in preparation for putting its downtown lines under ground, having forwarded the material to San Diego. The action is said to be due to the fact that the company has abandoned its intention to make under ground improvements because it feels that the Santa Ana trustees are not disposed to give it fair treatment.

FREE IF IT FAILS
Your Money Back if You Are Not Satisfied With the Medicine We Recommend

We are so positive that our remedy will permanently relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine at our expense should it fail to produce satisfactory results.

It is worse than useless to attempt to cure constipation with cathartic drugs. Laxatives or cathartics do much harm. They cause a reaction, irritate, and weaken the bowels and tend to make constipation more chronic. Besides, their use becomes a habit that is dangerous.

Constipation is caused by a weakness of the nerves and muscles of the large intestine or descending colon. To expect permanent relief you must therefore tone up and strengthen these organs and restore them to healthier activity.

We want you to try Rexall Orderlies on our recommendation. They are exceedingly pleasant to take, being eaten like candy, and are ideal for children, delicate persons, and old folks, as well as for the robust. They act directly on the nerves and muscles of the bowels. They apparently have a neutral action on other associate organs or glands. They do not purge, cause excessive looseness, nor create any inconvenience whatever. They may be taken at any time, day or night. They will positively relieve chronic or habitual constipation, if not of surgical variety, and the myriads of associate or dependent chronic ailments, if taken with regularity for a reasonable length of time. 12 tablets, 10 cents; 36 tablets, 25 cents; 84 tablets, 50 cents. Sold in Santa Ana, only at our store—The Rexall Store, Wheeler and Mateer, 104 West Fourth street.

INSTALLING
NEW SYSTEM

Fire Alarms Are to be Made
Known According to Number of Box Nearest Fire

Within two or three days all fire alarms will be made known according to box numbers, so that firemen and citizens can easily locate the neighborhood in which a fire is reported. The new system of reporting alarms will be in use when City Electrician McCulloch completes the installation of the new Gamewell transmitter device recently purchased by the department. The man receiving a call by telephone will immediately turn in the call at the fire hall with the box nearest the location of the fire, and the fire bell and the blasts of the water works whistle will act accordingly.

AMUSEMENTS

The Mystery of the Maine

Do you "Remember the Maine?" Most everyone does, and surely you have not forgotten it. The raising of the Maine is now to be seen in motion pictures, and may well be said that they are the only films in existence appealing to all classes, from the newsboy to the millionaire. The pictures, which are quite clear, first show the Maine as she lay for thirteen years after the explosion with but a few feet of her showing above the water line, then in detail views of the great apparatus used in raising her and as she is today, the barnacle-covered remains of a great man-of-war. The raising of the Maine will be exhibited at the Temple Theater for three nights only, beginning tonight, Monday, April 1. Two shows nightly, 7:30 and 9 o'clock, and this big attraction with the small price of admission, 5 cents and 10 cents, should draw big crowds. At the Bell will be seen a new show of the best of pictures, and Norman and Orr, comely singers, talkers and phenomenal dancers, and a big act with the always good show.

FRANCIS JOSEPH NOT
CARRY OUT THREAT OF
HIS ABDICATION

VIENNA, April 1.—The crisis in the Hungarian Cabinet, which was ended Saturday by Emperor Francis Joseph expressing confidence in the ministry under the premiership of Count Khuen von Hiedervary, had a sensational development in a threat of the Emperor to abdicate.

It is said that in a recent audience with the Premier, the Emperor openly threatened to abdicate unless certain proposals in connection with the controversy over the army were abandoned immediately.
